Economical

One frame with dozens of uses
Made in the USA

Elegant

Clean and sophisticated
presentation

Secure

Patented truss protects your
artwork from bending and bowing

How uni frame works

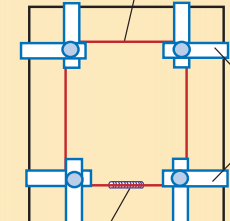

FRONT

Displays your artwork
in clean crisp style

BACK

Cord wraps around clips to hold
them securely in place. Use it to
hang your picture to the wall

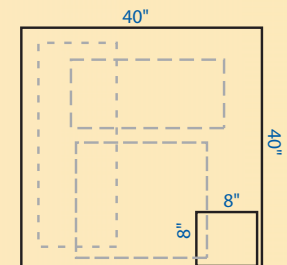

Clips hook
onto each
corner and
adjust to
the size of
the picture

Spring keeps the cord
tight around the clips

There is a Uni-frame for any size
and shape between 8" x 8" and
40" x 40"

Uses your own backing board
to match the custom size of
your picture

Finish with glass or acrylic
on front, or simply display
without

The only adjustable-size frameless frame...
Uni-frame is a versatile and elegant solution
for your display needs.
